

QUALITY POLICY

AVIONICS SPECIALIST, INC.

Avionics Specialist, Inc. (ASI) is to maintain a quality system, which is focused on customer needs, risk-based thinking, expectations and mission requirements.

ASI is committed to total customer satisfaction by delivering quality products and services on time and is dedicated to the process of meeting or exceeding statutory and regulatory requirements. We strive to continually improve the effectiveness of the quality management system.

For AVIONICS SPECIALIST, INC.

A handwritten signature in blue ink, appearing to read 'Roger P. Dahler', is positioned above the printed name.

Roger P. Dahler
President / General Manager
